

Christ the King Parish School

“Share the Crusader Spirit” Referral Program

\$500.00 Visa Gift Card

In an effort to expand the quality of our Catholic faith community and educational program and to attract more students, Christ the King Parish School has created a referral incentive program for the school. Parents and Parishioners will be rewarded for steering prospective students to the school.

For every student that you refer to CKS and if the referred family enrolls a student and they stay for an entire year and re-enrolls for the next year, you will receive the program incentive.

To be completed by prospective family and submitted at the time of the application submission.
